Re: Diesel Spill- Las Vegas Yard

Dear Mr. Patterson:

Upon review of your February 12, 1985 corespondence, the Nevada Division of Environmental Protection feels that further site investigation is warranted to insure public safety and to protect regional groundwater.

It is therefore requested the following information office for review by March 15, 1985.

- \* An estimate of the total amoun
- \* Information relating to the production of the spilled production of the spilled production.
- \* A discussion of possible remeditors soil removal, product recove structures or combinations of the

It is the Division's position that the public health and environmental problem by to this office.

The Division and UPPR have had a good it is hoped these good relations will conti
